If you answered "Yes" to 5 or more questions, you fit the profile of a successful online student. If not, you may need some preparation before taking your first online course.

Edgewood College faculty and staff will provide the guidance and support you need to be successful and to be transformed by your experience as an online learner.

Most online programs offered by Edgewood College combine the option of some face-to-face meetings with the convenience of online learning, taking advantage of the benefits of both methods of instruction. Some programs offer the option to take courses either online or in the classroom. You choose the environment that best fits your learning style.
